Listerhill Credit Union Celebrated the Grand Opening of the New Member Service Center

Muscle Shoals, Alabama— After one year and 7 months of planning and construction, Listerhill Credit Union celebrated the opening of its Member Service Center. Located at 4790 East Second Street in Muscle Shoals, the credit union's new 30,000 square foot addition houses administration, human resources, lending, call center, ATM, additional drive thru lanes and more.

To celebrate the grand opening, city officials and special guests joined employees and members on February 14 for a ribbon-cutting ceremony and open house. Guests enjoyed refreshments, gifts and tours of the Center.

The Member Service Center was dedicated to honor Cyril B. Mann, the credit union's first and only Chairman of Board. In 1952, Cyril B. (Dink) Mann and six other Reynolds employees recognized the need for alternative financial services, other than the loan sharks who lined Second Street in the late 40's and early 50's. These seven individuals pooled their resources and organized Listerhill Credit Union,

Cyril B. (Dink) Mann was first elected to the Board of Directors at the credit union's first annual meeting in 1953 and has served as Chairman of the Board since that time. Mr. Mann stated, "I have always believed and lived the Credit Union philosophy of *People helping People.*"

He has set a tremendous example in the way he has conducted the affairs of the Credit Union. During his years of volunteer service he has traveled the world to attend numerous credit union related seminars and conferences with the World Council of Credit Unions, Credit Union National Association and the Alabama Credit Union League, as well as, being involved in local activities with the Muscle Shoals Chapter of Credit Unions.

The "Cyril B. Mann Member Service Center" was designed by Lambert Ezell Durham Architecture-Interior Design and constructed by Smith General Contractors. Phase 2, a renovation of the current facilities, began in February and is anticipated to open in early 2009.

Founded in 1953 by Reynold's Metals employees with an office located inside the plant, Listerhill Credit Union is a not-for-profit, member-owned financial institution based in Muscle Shoals, Alabama. With more than \$400 million in assets and over 62,700 members, Listerhill is ranked in the top 10 credit unions in Alabama in terms of assets.
